

WE NEED A LITTLE HELP FROM YOU ONCE YOU DECIDE ON A MILESTONE MEMORY...

Besides a smile, please send us one or more digital photos of the portrait subjects and a picture of your wedding dress, suit or tuxedo, if you would like to be portrayed in one.

On receipt of your photos we'll do a draft portrait to make sure we meet your approval and then do the final version.

Please talk to your event planner for additional details.

For mural samples and great cartoons, please go to www.cartoonjazz.com and click on Milestone Memories or call us at 732-283-8700 so we can help you plan your next Milestone Memory.

For the event you will never forget, choose the unique memento that will last forever – a stunning black and white pen and ink drawing of you as a keepsake for both you and your guests.

Flowers are beautiful but alas, they do not last. Our portraits are not only beautiful but they will stay fresh long after a flower's last bloom. They will also capture the essence of your happy occasion and even add some humor if you wish.

You will receive an oversize 3-foot by 4-foot mural, which will make an eye-catching centerpiece for your affair and can double as a great sign-up board for friends and relatives. The guest tables can be adorned with smaller, beautifully framed versions of the portrait for your guests to take home.

Weddings

Wouldn't you love to have a dazzling oversized hand-drawn portrait of yourselves and have an 11"x15" copy classically framed in black aluminum to give to both sets of your parents or to friends and relatives as a thank you gift. Smaller 8" by 10" versions can be placed on the tables as "door prizes" that your friends and relatives will really cherish. We can do portraits, not only of the bride and groom, but also of the bride and groom's parents as well, adding a special touch.

Bar Mitzvah and Bat Mitzvahs

Your child will never be 12 or 13 again! As a parent, you may say "thank goodness" at times, but there is something captivating about children being on the cusp of both innocence and maturity. We will capture them in all their youthful promise and give you and your guests a lifetime of memories.

Friends and Family Celebrations

Sweet Sixteens, Confirmations, Anniversaries, Baby Namings, Family Reunions and other events worthy of celebrating are also worth commemorating with a portrait from Milestone Memories or a custom cartoon from Cartoonjazz.com.

Corporate Events

A gold watch may keep time, but our portraits will fix the time of your event in everyone's fond memories. We can even develop custom cartoons that will add humor to any occasion or marketing campaign.

Computer Screensavers

Beautifully packaged keepsakes with a custom portrait, cartoon or any image you want, to give to friends, relatives, colleagues, clients or business associates.
